Multi-Jurisdictional Criminal Convictions Database (US OneVERIFY)

With a US OneVERIFY check, we will not only search more than 600 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and offender registries from all 50 states, plus Washington DC, Guam, and Puerto Rico, but we will also verify criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.

US OneTrace

backgroundchecks.com will run an individual's social security number (SSN) against a multi-jurisdictional database that includes information provided by hundreds of public and private sources. The result is our US OneTRACE search that details available names and addresses associated with the provided SSN.

Motor Vehicle Record

State level driving reports can include records of driving while intoxicated, revoked license, accidents, and minor traffic violations. ** Access to this product requires additional documents and approval which can take up to 3 business days. ** Additional state fees apply

County Criminal

Most felony and misdemeanor cases are filed in county courts, so county criminal record searches are one of the most powerful sources for uncovering criminal records. County criminal searches return information from the court records in which the conviction is recorded. A report covering county criminal records may include information regarding the degree of the offense, offense dates, case numbers, filing dates, defendants, counts, trial dates, verdicts, disposition, disposition dates, and sentencing information. ** Additional court fees may apply

Past Employment Verification

backgroundchecks.com checks employers' records. The employment verification process takes the information about one or more employers as provided on a subject's application or resume and verifies the accuracy by directly contacting those employers. The information we compare and verify with the employer can include dates of employment and job position, and may include the reason for leaving and eligibility for rehire. **Additional employer clearing house fees may apply

Please note, there is a one-time registration fee of \$19.95
