### Federal Criminal\*

A federal criminal search is conducted by ordering individual US District Court indices in much the same way as a county criminal history. You can specify which district you want to search and we retrieve records from that district. Alternatively, our auto development process can instantly recommend the federal jurisdictions. The recommendations are derived from a social security number based name and address history we run and present in real-time at no cost to you while you are entering the subject's information on the order screen.

### County Criminal\*

Access to over 3,100 county courthouses in the United States. One of the most powerful sources for uncovering criminal records. County criminal searches will return information from the court in which the conviction is recorded for the past 7 years, searching the name provided as well as all names developed.
