Preferred Background Screening Program

Packages

BACKGROUND CHECK PACKAGE

\$17.95

Multi-Jurisdiccional Criminal Convictions Database (US AliasVERIFY)

With a US AliasVERIFY check, we will not only search more than 550 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and offender registries from all 50 states, plus Washington DC, Guam, and Puerto Rico for the provided and alias names found, but we will also verify criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.

Federal Criminal

Search of records located in the US District Courts. Federal violations generally will not appear in either a county or statewide criminal check. Offenses can include kidnapping, drug trafficking, interstate transportation of stolen goods, bank robbery and embezzlement.

County Criminal*

Most felony and misdemeanor cases are filed in county courts, so county criminal record searches are one of the most powerful sources for uncovering criminal records. County criminal searches return information from the court records in which the conviction is recorded.

DRUG TEST PACKAGE

\$32.00

Drug Screening

This order includes a urine based 5-panel drug screen including checks for Amphetamines, Cocaine, Marijuana, Opiate and Phencyclidine PCP.

ANNUAL RE-CHECK PACKAGE
