## Preferred Background Screening Program

### Package

**GlobiTech Preferred Package** **\$42.50**

The package includes the US AliasVerify which combs more than 525 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and offender registries from all 50 states, plus Washington DC, Guam, and Puerto Rico for the provided and alias names found. We will verify criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record. It also includes criminal information from all Counties where the applicant has lived in the past 7 years on all names developed.
