#### Multi-Jurisdictional Criminal Convictions Database (US OneVERIFY®)

With a US OneVERIFY check, we will not only search more than 500 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and SEX OFFENDER REGISTRIES from all 50 states, plus Washington DC, Guam, and Puerto Rico, but we will also verify criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.

---

#### SSN Validation

Runs inquiries against the Social Security Administration (SSA) format information to determine the validity, year and state of issuance, and any irregularities that may exist-included in the US OneTRACE.
