

VendorSAFE

For USM Suppliers in New York

Preferred Background Screening Program

USM has partnered with backgroundchecks.com to provide their suppliers a fast & easy way to conduct employee background checks. VendorSAFE delivers access to custom packages that help suppliers comply with the USM screening requirements.

Not to mention the advantage of backgroundchecks.com's proprietary National Criminal Database products. We are committed to not only providing the most current data available, but also acquiring sources that none of our competitors have such as various tribal territory sex offender files & numerous state health and human services exclusion lists, just to name a few...

USM Suppliers benefit from:

- Fast account registration & ordering process-*the one-time registration fee of \$49.95 has been waived!*
- Pre-set discount pricing & packages for significant cost savings
- 24/7 online user-friendly interface and simplified results reporting
- Highest level of secure connection technology that meets government standards
- Live customer service support

We have an experienced Client Relations Team available for support, Monday through Friday, 7:30 am - 5:30 pm CST. Our Client Relations Team can be reached by telephone at 866-300-8524 or via email at usmsupport@backgroundchecks.com. Please feel free to contact a member of the Client Relations Team if you need any assistance registering your account or placing your orders.

Package

Advanced Background Screening*

\$18.00

Package includes: US OneVerify, 1 County Criminal Search (court fees may apply) and 1 US OneTRACE (Name and & Address History)-Nothing provides better coverage of the United States than US OneVerify. With one search, you can comb more than 450 million criminal records from counties, Department of Corrections (DOC), Administration of the Court (AOC) and sex offender and offender registries covering all 50 states, plus Washington DC, Guam, and Puerto Rico. Also included are national and international terrorism sources and more than 10 million photos. Criminal matches are verified directly at the source before being reported, ensuring maximum risk protection and greater accuracy. US OneVerify provides the data you want, the quality you demand and the updates that ensure you get the best possible information.

* Additional fees may apply.

What you should know to get started...

1. Register at <http://www.backgroundchecks.com/solutions/usmvscomp2>
2. Suppliers must order the “Advanced Background Screening” package to comply with USM, Inc. requirements.
3. The backgroundchecks.com account registration process is handled all online which provides suppliers with immediate access to the USM, Inc. “Advanced Background Screening” package.
4. USM, Inc. pays for “Advanced Background Screening” package orders^{*^}.

Because USM, Inc. handles payment for supplier package orders, backgroundchecks.com will need time to manually adjust your account to ensure that USM, Inc. is billed for the required packages and not you. **DO NOT place any package orders until you receive notification from backgroundchecks.com that your account has been properly modified and is ready for use. backgroundchecks.com will email you within 24 business hours from your online account registration date.*

[^]USM, Inc. only pays for applicable “Advanced Background Screening” package orders. USM, Inc. will hold you responsible for any separate, a la carte or ineligible orders placed in your account.

Online Account Registration Process

The screenshot shows the 'Account Information' section of the registration form. It includes fields for 'Your name' (First Name), 'Email Address', 'Password', and a 'Continue' button. A checkbox for 'I am registering as an individual' is also present. Annotations in red boxes provide additional context:

- Annotation 1:** The Register Now button on the custom VendorSAFE landing page routes you to our secure online account registration page.
- Annotation 2:** You'll see a special USM partner code preloaded in the promotion code field to ensure your account receives proper access to the specified USM, Inc. packages.
- Annotation 3:** Complete the account information page and click the Continue button to proceed.

The 'Contact Information' section is partially visible at the bottom of the form.
