Multi-Jurisdictional Criminal Convictions Database (US OneVERIFY®)

With a US OneVERIFY check, we will not only search more than 500 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and SEX OFFENDER REGISTRIES from all 50 states, plus Washington DC, Guam, and Puerto Rico, but we will also verify criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.

Name and Address History Report (US OneTRACE)

US OneTRACE provides a name and address trace based upon the Social Security Number, first and last name. The report returns all names and addresses associated with the given SSN.

SSN Validation

Runs inquiries against the Social Security Administration (SSA) format information to determine the validity, year and state of issuance, and any irregularities that may exist-included in the US OneTRACE.

Statewide Criminal*

Real-time search at the statewide courthouse reportedly contains all county records within a given state. There can be instances where a conviction has been recorded at the county level but not at the state level. A statewide criminal search will be conducted in every state where the applicant has lived in the past 7 years developed from the US OneTRACE.

County Criminal*

Access to over 3,100 county courthouses in the United States. A county criminal search will be conducted in every jurisdiction where the applicant has lived in the past 7 years developed from the US OneTRACE.

Federal Criminal

Search of records located in the US District Courts. Federal violations generally will not appear in either a county or statewide criminal check. Offenses can include kidnapping, drug trafficking, interstate transportation of stolen goods, bank robbery and embezzlement. A federal criminal search will be conducted in every district where the applicant has lived in the past 7 years developed from the US OneTRACE.
