

FULL AGENDA OVERVIEW: MON-WED

GMT	MONDAY SME GROWTH Agility – Performance – Scale		TUESDAY SMART FACTORY Inside the factory		WEDNESDAY DIGITAL TRANSFORMATION Entire value chain		
09.00 – 10.00	Digital Manufacturing Week Show Opening Keynote Lord Karan Bilimoria CBE, President, CBI		Digital Manufacturing Week Keynote		Digital Manufacturing Week Keynote		
10.30 – 12.00	IfM Masterclass: Sustainability		IfM Masterclass – Low cost digital manufacturing		IfM Masterclass: Strategic Approaches to Digitalisation		
13.00 – 14.00	Manufacturing Leaders' Summit Keynotes <ul style="list-style-type: none"> Manufacturing Made Smarter as a key lever to our nation levelling up Exploring the Art of the Impossible 	Smart Factory Expo Solutions Arenas: <ul style="list-style-type: none"> Capacity Planning – Productivity Business and OT Transformation Scaling Digital for Competitive Advantage Leadership & Strategy & Smart Factory Expo Exhibition Hall & Digital Manufacturing Week Networking Lounge Aerospace Connect Electronics Connect Mechanical/Industrial Engineering Connect 	Manufacturing Leaders' Summit Keynotes <ul style="list-style-type: none"> Industry 4.0 – The great Manufacturing reset 	Smart Factory Expo Solutions Arenas: <ul style="list-style-type: none"> Lean Manufacturing Robotics / Cobots Industrial Automation Leadership & Strategy & Smart Factory Expo Exhibition Hall & Digital Manufacturing Week Networking Lounge Automotive Connect Chemicals Connect Food & Drink Connect 	Manufacturing Leaders' Summit Keynotes <ul style="list-style-type: none"> Supply chain digitalisation: Driving the transition 	Smart Factory Expo Solutions Arenas: <ul style="list-style-type: none"> Machine Learning & AI IoT & Connected Factories Enterprise Platform Technologies Leadership & Strategy & Smart Factory Expo Exhibition Hall & Digital Manufacturing Week Networking Lounge Digital Transformation Connect Continuous Improvement Connect 	
14.00 – 14.45	Manufacturing Leaders' Summit Discussion Rooms: <ul style="list-style-type: none"> Sustainable Manufacturing – Circularity People and Skills – Talent Acquisition Workshop: Manufacturing 2050 		Manufacturing Leaders' Summit Discussion Rooms: <ul style="list-style-type: none"> Augmented reality / VR Connectivity and 5G ERP 		Manufacturing Leaders' Summit Discussion Rooms: <ul style="list-style-type: none"> Business systems Resilience and Flexibility AI & Machine Learning Future Factory 		
15.15 – 16.00	Manufacturing Leaders' Summit Discussion Rooms: <ul style="list-style-type: none"> Operational Excellence Scaleability – Accelerating Performance Commercial Agility for Manufacturers during Resurgent crisis 		Manufacturing Leaders' Summit Discussion Rooms: <ul style="list-style-type: none"> Secure Manufacturing – Cyber Security Systems Integration New Business Models 		Manufacturing Leaders' Summit Discussion Rooms: <ul style="list-style-type: none"> Implementing Industry 4.0 Operational Excellence Agile & Resilient Supply Chains 		
16.00 – 17.00	Manufacturing Leaders' Summit Keynotes: <ul style="list-style-type: none"> Economic Outlook for SMEs Current KTN Strategy & Development for SME Support Panel: <ul style="list-style-type: none"> Creating Effective Support Mechanisms for SMEs 		Manufacturing Leaders' Summit Panel: <ul style="list-style-type: none"> How will Smart manufacturing reshape your organisation? What infrastructure needs to be in place? & Keynotes		Manufacturing Leaders' Summit Panel: <ul style="list-style-type: none"> How AI Disrupts Business Models & Keynotes 		
17.30 – 18.00	Digital Manufacturing Week Keynote Why women dont go onto study STEAM – Ruth Amos		Digital Manufacturing Week Keynote The Future of Technology and Humanity – Amber Case, Cyborg Anthropologist		Digital Manufacturing Week Keynote		
18.00 – 19.30	IfM Masterclass: Sustainability		IfM Masterclass: Low Cost Digital Manufacturing	The Manufacturer Directors' Forum Round Table: Resilient Supply Chains	Digital Manufacturing Week DIGITAL WINE-DOWN™ Exclusive Wine Tasting + Networking Experience	IfM Masterclass: Strategic Approaches to Digitalisation	The Manufacturer Top 100 2020 Ceremony

Content with a background colour requires an Access All Areas Ticket (£145/ 145/ \$185 – Manufacturers only). Content with a white background requires a Manufacturer Pass and is free to attend for Manufacturers.

FULL AGENDA OVERVIEW: THU-SUN

GMT	THURSDAY MANUFACTURING INNOVATION Future Strategy Unleashed	FRIDAY MADE SMARTER EMERGING TECH SHOW Disruptors & Emerging Tech	SATURDAY - SUNDAY DIGITAL MANUFACTURING WEEK On Demand
09.00 - 10.00	Digital Manufacturing Week UK Economic Keynote - Andrew Sentence CBE British Business Economist, former member of the Monetary Policy Institute	Digital Manufacturing Week Keynote	Manufacturing Leaders' Summit Keynotes, Panels, Discussion Room replays on demand Digital Manufacturing Week Keynotes, Smart Factory Expo Solutions Arena Presentation replays on demand Made Smarter Emerging Technology Show Solutions Arena Presentation replays on demand
10.30 - 12.00	IfM Masterclass: Technology & Innovation Management	IfM Masterclass: IoT for Senior Management	
12.00 - 12:30	Panel Discussion		
13.00 - 14.00	Manufacturing Leaders' Summit Keynotes • The Factory of the Future	Made Smarter Emerging Technology Show Solutions Arenas: • Additive Manufacturing • Immersive and Simulation • Robotics and Automation • IOT and Connectivity • AI, ML and Data Analytics • Other Technology & Made Smarter Emerging Technology Show Exhibition Hall & Digital Manufacturing Week Networking Lounge • Automation & Robotics Connect • Immersive Tech Connect	
14.00 - 14.45	Manufacturing Leaders' Summit Discussion Rooms: • Sustainable Manufacturing • Factory Automation • Predictive Maintenance		
15.15 - 16.00	Manufacturing Leaders' Summit Discussion Rooms: • Additive Manufacturing and 3D Printing • Workforce Culture • Advanced Analytics		
16.00 - 17.00	Manufacturing Leaders' Summit Panel • Organisational Culture and Buy-in for an Innovation Culture Keynote: • The Future of Manufacturing		
17.30 - 18.00	Digital Manufacturing Week Keynote Innovation for an Inclusive Economy - Dr Hayaatun Sillem CBE Chief Executive, Royal Academy of Engineering	IfM Masterclass: IoT for Senior Management	
18.00 - 19.30	IfM Masterclass: Technology & Innovation Management Digital Manufacturing Week DIGITAL WINE-DOWN™ Exclusive Wine Tasting + Networking Experience		

Content with a background colour requires an Access All Areas Ticket (£145/ 145/ \$185 - Manufacturers only). Content with a white background requires a Manufacturer Pass and is free to attend for Manufacturers.

GMT						
10.30 - 12.00	Masterclass <i>Application only.</i>	<p>Finding opportunities for circular transformation in the lifecycle of your products Ian Bamford, Commercial Director, Centre for Industrial Sustainability, Institute for Manufacturing, Cambridge University</p>				
12.00 - 13.00		Lunch / Smart Factory Expo / Meetings & Networking				
13.00 - 14.00	Plenary	<p>CHAIR: Rosa Wilkinson, Director of Communications, High Value Manufacturing Catapult</p>	<p>KEYNOTE: Manufacturing Made Smarter as a key lever to our nation's levelling up Juergen Maier, Co-Chair, Made Smarter & Board Member, Industrial Strategy Council & Chair, Digital Catapult</p>	<p>KEYNOTE: Exploring the Art of the Impossible Asif Moghal, Senior Industry Manager, Design & Manufacturing, Autodesk</p>	<p>Live audience Q&A</p>
