

OUR VALUES

Our values are our guiding principles that shape and inform leadership, business decisions, give purpose, and create cohesion among the broader team.

PEOPLE

We are a group of cloud champions who collaborate to solve challenging problems. We easily connect with one another in a supportive environment, build strong working relationships, and develop lasting friendships.

TEAMWORK

We operate as a Team of Teams coming together around shared goals. We are inclusive, mutually accountable, and together we deliver innovative solutions that help our customers outcompete.

CONTINUOUS IMPROVEMENT

We are a learning-oriented company that is growing and evolving through the iteration of cloud career opportunities, projects, and solutions.

COMMUNICATION

We support responsiveness and transparency in all our interactions and believe in managing expectations.
