

PRESSALIT®

PRESSALIT
COMFORT D2

SOFT CLOSE Luxury and comfort

Close the seat silently with just a gentle push. The soft close function adds a more luxurious touch to the seat.

LIFT-OFF Optimum hygiene

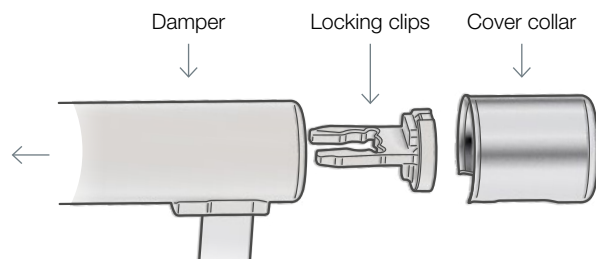

With a simple movement the seat can be removed from the toilet. This makes cleaning easy and secures optimum hygiene.

ABOUT THE HINGES

Newly-patented hinges, with high functionality and stability to ensure minimal play. The hinge design is minimal, giving the seat a more harmonious appearance.

DK4999 hinges feature a locking mechanism. This allows the seat to be locked in place, preventing it from being removed.

GUARANTEED DURABILITY

Long-lasting quality

Pressalit Comfort D2 has a resistant design. The seat is suitable for everyday use and is made of colour ingrained duroplast, so scratches won't show. You get 10 year's warranty.

DESIGN

Stylish and minimal

Solid design, high functionality and durability, inside out.

A PIECE OF DANISH DESIGN HISTORY

Pressalit Comfort D2 was designed in-house at Pressalit. The seat has a harmonic overall design that is pure in form. The composed wrap-over seat combines streamlined simplicity with a fully harmonious shape, which makes it blend with the porcelain. Timeless, delicate appearance with high functionality and durability. The seat

is very comfortable, even when the lid is down. Maximum load is 240kg.

The first Comfort toilet seat – A classic design icon that was designed by Sigvard Bernadotte og Acton Bjørn in 1966. A proud design tradition was born.

Premium Bathroom Solutions since 1954

Pressalit A/S is a Danish privately owned company with production facilities in Ry, Denmark. Since 1954, we have been designing and producing toilet seats of the highest quality. And since 1975, Pressalit has also been developing accessible bathrooms and height-adjustable kitchens for people with reduced mobility. This has made us one of the world's leading manufacturers of premium bathroom solutions. High quality, flawless design and reliable functionality are the core features of our wide range of products.

Bacteria-resistant Polygiene

Certificeret Polygiene® effect, which prevents the growth of bacteria 24 hours a day.
