PRESS RELEASE

TXT e-Solutions and DM Management & Consulting partner together to deliver MOM solutions for Industry 4.0

- *New partnership with DM Management & Consulting for a wider digital transformation offering;*
- *This partnership will boost our DMP solution penetration on the market and will create a unique blend of best-of-breed software with high value and consulting services delivered by TXT*

MILAN, January 26, 2022 – TXT e-Solutions (BIT: TXT.MI) and DM Management & Consulting announce a new strategic partnership that join TXT's unique digital transformation and software engineering capabilities with DM Management and Consulting, whose DMP Manufacturing Execution System (MES) and Manufacturing Operations Management (MOM) proprietary platform enables factory management, quality control, inter-connection, collection and analysis of production data, maintenance, and real-time operations monitoring.

"This strategic partnership will enlarge our best-in-class offering and drive our Industrial Clients in Digital Transformation Journey, streamlining their production chain thus realizing more efficient and competitive companies" commented Gianluca Crecco, Managing Director of the TXT's Industrial & Automotive Division.

"We are really thrilled and excited to partner up with TXT e-solutions. This partnership will boost our DMP solution penetration on the market and will create a unique blend of best-of-breed software with high value and consulting services delivered by TXT. This partnership will also support our customer in a solid view to the Industry 4.0 solutions", commented Stefano Massari, Chairman DM Management & Consulting.

The objective is to pursue and strengthen the new collaboration over the next years to anticipate developments in the industrial production systems by accelerating the adoption of DM's DMP MES/MOM solution with the support of TXT system integration capabilities.

TXT is an international IT Group, end-to-end provider of consultancy, software services and solutions, supporting the digital transformation of customers' products and core processes. With a proprietary software portfolio and deep expertise in vertical domains, TXT operates across different markets, with a growing footprint in Aerospace, Aviation, Defense, Industrial, Government and Fintech. TXT is headquartered in Milan and has subsidiaries in Italy, Germany, the United Kingdom, France, Switzerland and the United States of America. The holding company TXT e-solutions S.p.A, has been listed on the Italian Stock Exchange, STAR segment (TXT.MI), since July 2000.
