- Create your design on the “Your Art Here” layer, using the “Template” layer as a guide.
- When your design is complete, remove the “Instructions” and “Template” layers, convert all fonts to outlines, and save as a PDF.
- Upload your image into the design tool for the matching product on StompStickers.com.
- Please allow a few minutes for large files to fully load in the design tool.
- Position and size your image to the template in the design tool, click “Review Design”, and you're ready to order! It's that easy!
