

## Enrol a study participant

---

1. Log in to CASTOR - <https://uk.castoredc.com/>
2. Click on PROTEUS: Evaluating AI in Stress Echocardiography
3. In the top right corner click '+ New'
4. Select your institute from the drop down menu
5. Click 'Create'
6. On the blue side panel – select Form 1
7. Complete Eligibility Criteria & Consent, baseline and Randomisation sections within form.
8. Click on form 2
  - a. Click on EQ-5D-5L and SAQ-7 baseline button and enter patients' email address, the questionnaire will then be emailed to them for completion.
  - b. Alternatively complete it there and then with the participant or allow them to do it on paper and transcribe it into the database at a later date.
9. Complete Form 3 - Stress Echo
10. Database automatically saves so you can leave when finished.

Additional information on CASTOR and data input can be found in the eISF sections 2.6
