

trust, learn & thrive

Your journey to complete care starts here

Every family's journey is unique & personal — just like the care you expect from your healthcare team. Follow our 3-step **health:map journey** to build YOUR trusted circle of care.

We are here to help you along the way!

STEP 1

Complete the FREE intuition builder

- ♥ Learn more about symptoms for you or your child
- ♥ Print your results & access FREE learning resources
- ♥ Learn more about next steps & how to find trusted healthcare providers

TRUST

trustintuition
YOUR

learn**awareness**
AND BUILD

STEP 2

Learn about oral & airway health issues

- ♥ Early Childhood Cavities
- ♥ Oral Restrictions (Tongue, Lip & Buccal Tie)
- ♥ Oral Dysfunction
- ♥ Airway Health & Sleep

LEARN

STEP 3

Build your personal circle of care

- ♥ Create your FREE circle account
- ♥ Set up a consultation with trusted providers who can help your family
