Here are just a few of the benefits you can expect for when you refer a client to us:

- **Commissions\***  
We pay you for every referral you send our way. Typically the first months management fee.
- **Focus**  
While we focus on giving your referral the best possible service, you can focus on your sales.

- **You, the Hero**  
Your referrals will receive a special discount just because you referred them to us.
- **Return**  
When your referral is ready to sell their investment, we will send them back to you.

## Referring Renters

RentWell is not currently a rental agency, which means we only show properties that we manage.

We are happy to show our properties to renters by having them contact us via phone or email.

If you wish to represent a renter, please contact our office and we will give you access to the property.

*\*No referral commissions are paid for renters*
