WEBINARS

Turning presentations into real-time conversations wherever you are.

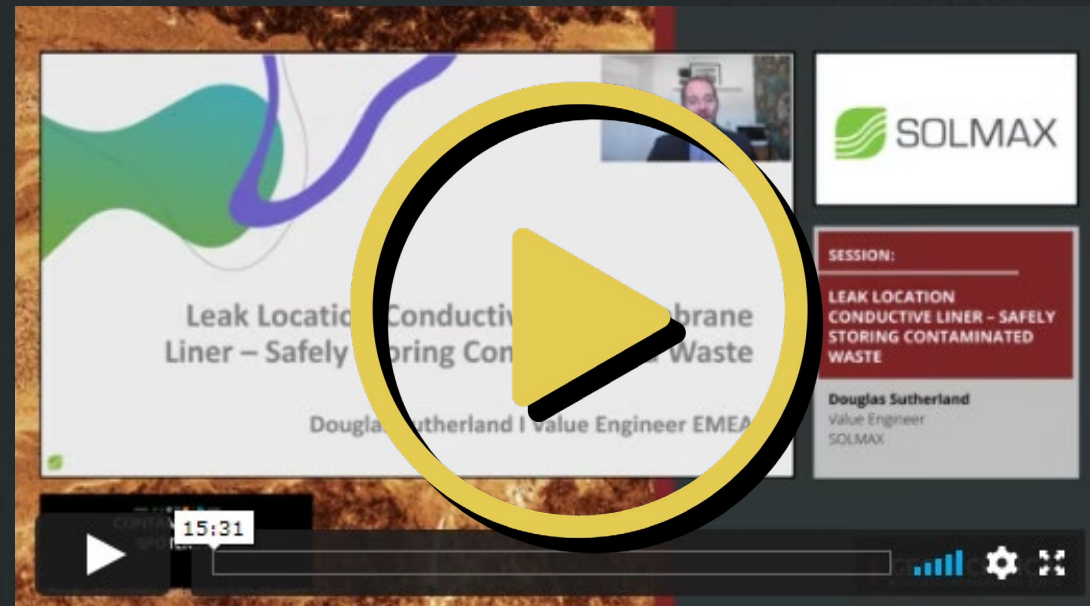

Webinars will give you the opportunity to teach our audience and help them understand why your services or products are valuable. You can choose the topic and we will share the responsibility of educating our audience with you.

Webinars enable our partners to showcase their knowledge & industry expertise to a wide, engaged selection of our audience at once, with live polls and Q&A sections to foster engagement.

EXPERT TOPIC SERIES

Designed to build awareness and understanding around key and current issues in the sector through video content provided by you.

This monthly series of digital events focus on a range of specific subjects in the industry, bringing our audience bite-sized live seminars of 15-20 minutes from expert speakers and event partners, sourced by our Content Team.

We allow one sponsor per topic series - and on a first come-first-served basis.

We provide a platform that holds these pre-recorded thought-leading presentations, split by sessions, with a chat and Q&A function that will allow you to interact with our audience live.
