

OPERATION MINDFALL

Outdoor Escape Game

1 00:00-00:10 Introduction

Our Gamemaster brief the participants on technology and goal of the activity. Team roles are allocated.

2 00:10-00:15 Start moving.

The game is all outdoor starting and ending outside our location in Lille Strandstræde 11. The game is 90 minutes and the team size is maximum 5-6 per action Pack.

3 00:15 - 00:30 Mission solving

Equipped with an iPad and a special actionpack you will experience a completely new adventure combining the riddle solving from escape games with the latest in escape game technology.

4 00:30 - 01:00 Augmented reality

Operation Mindfall combines elements of classical GPS-Geocaching, Live Escape Game and Augmented Reality Technology into a new outdoor Action-Spy team game.

5 01:00-01:30 Brainburners

Search for different hotspots in the city via GPS and solve puzzles there using the fun gadgets in your action pack.

6 01:30-02:00 Stop The countdown

Your mission is to stop a secret US military project called code name MK Ultra that has the aim of gaining total control over the human mind. Your final task is to hack their server and stop the countdown.
