Boat Permits

Boats with and without engines are available at Blagdon. Row boats will be limited to 5 per day. We advise anglers to book in advance should they wish to have a row boat.

Boat prices include the use of the boat and your fishing permit. Limits are 8 fish for full day permit and 4 fish for an evening permit.

Advance booking for boats is essential. Even if you are turning up on the day please phone ahead for availability as we can't guarantee a boat will be waiting for you.

Single angler boats can only be purchased on the day and when possible we will reserve you a boat to ensure you are not disappointed.

Boat fishing finishes at Sunset and it is essential this rule is not abused.

Winter Prices apply after October 15th with a limit of 6 fish.
