**NOTIFICATION OF PROPOSED PLUMBING WORK - Regulation 5**

**Please tick ✓ all the appropriate boxes**

**Proposed work that must be notified is summarised in the table.**

- 1. The erection of a building or other structure, not being a pond or swimming pool.
- 2. The extension or alteration of a water system on any premises **other than a house.#**
- 3. A material change of use of the premises.

**Also, the installation of:**

- 4(a) a bath having a capacity, as measured to the centre line of the overflow, of more than 230 litres.  
\* (i.e. large baths such as Jacuzzis and hot tubs).
- 4(b) a bidet with an ascending spray or flexible hose.#
- 4(c) a single shower unit incorporating two or more shower outlets \* (i.e. multi jet showers).
- 4(d) a pump or booster drawing more than 12 litres per minute, connected directly or indirectly to a supply pipe.
- 4(e) a unit which incorporates reverse osmosis.
- 4(f) a water treatment unit which produces a waste water discharge or which requires the use of water for regeneration or cleaning (i.e. water softener).
- 4(g) a reduced pressure zone (RPZ) valve assembly or other mechanical device for protection against a fluid, which is in Fluid Category 4 or 5. #
- 4(h) a garden watering system except one designed to be operated by hand.\*
- 4(i) any water system laid outside a building either less than 750mm or more than 1350mm below ground level.
- 5. the construction of a pond or swimming pool over 10,000 litres capacity, designed to be replenished automatically with water supplied by Bristol Water.\*

*Except for the items marked \* in the table above, a plan is required of that part of the premises which relates to the proposed work and a diagram showing the pipework and fittings to be installed. Installation by an approved plumber of items marked # in the table above does not have to receive prior consent but, on completion, a copy of the compliance certificate must be sent to Bristol Water and to the person who asked for the work to be done.*
