

Helping Your Kids Make Friends in a New Country

Mar 29, 2017

For some kids, making friends comes easy. They simply run up to a group of children and join in the fun without a second thought. For others, making friends is more of a difficult task. Being shy or scared can definitely affect social interaction as a child.

Six things to do within six months of moving to Canada

You've made the decision to move to Canada, and now that you're here, it's reason to celebrate. But arriving in a new country can be stressful, with a seemingly endless list of tasks to accomplish, not to mention processes you may be unfamiliar with. Here are some actions to set yourself up for success right from the get-go.

1. Get your Canadian identity

One of the first things you'll need to do is obtain a Social Insurance Number (SIN), since it'll be required for any job in the country. Thankfully, it's a straightforward process: You can apply for a SIN at any Service Canada office.

If you have a driver's licence, make sure to exchange it for a Canadian one — or, more accurately, a provincial one (licenses fall under the jurisdiction of the provinces). The licence from your home country may not be valid in Ontario or may require paperwork for conversion

Ontario has a universal, publicly funded health-care system, though there's a three-month waiting period for OHIP (Ontario Health Insurance Plan) coverage for most newcomers. It's a good idea to apply for OHIP as soon as possible, and use private insurance during the waiting

2. Get your finances in order

You can open an account in Canada even if you don't have a jeb or money to deposit, according to the Canadian Bankers Association. Many banks offer no-fee chequing accounts to newcomer as well as a writer of avoing accounts, including registered accounts created by the federal government to encourage tax-sheltered awings. The Financial Consumer Agency of Canada can behap with address on budgeting, banking, money transfers and planning your financial.

Outside is bridge training programs can holy qualified, internationally trained necessaries are equicity into the propriecy before created, by assessing allike and exceptoration, being training genotion both anothering and sechnical training — from licensure exam proparation to workplace skills, workplace experience and professional networking, Global Experiencing (Global Experiencing, Global Experiencing

4. Perfect your language skills

If you need to polsh up so your English or French, the federal government offers language classes to newcomers at no cost. Language Instruction for Newcomers to Canada (LINN) and Corns de language pole in immigratus at canada (LIUC), Bot of all, you can take them full dis-corns de language pole in immigratus at canada (LIUC), Bot of all, you can take them full dis-or part-time, during the day, vewing or weekend; in a classroom with other students or coils for some even disor depart services, as self at transportation in an office and see Lipo completic your continue to the control of the your cultum language projectment.

Canada Mortgage and Housing Corporation (CMHC) provides newcomers with information on finding safe, affordable housing, whether you're renting an apartment or buying a house.

I you're resting, find out what the rent includes (such as hydro). If you're beging a home, for which the rent includes (such as hydro). If you're beging a home, you'll seed a team of podessionals to help your an appraise, tome impecte and lawyer. If you have contained in the you'll not not restricted, you may find yourself at a slight land-watter, but there are programs that can help, such as mortgages for newcorners that don't equite a credit history.

6. Make new friends

Once the dust settles, it's time to start building a network of friends and colle
