

# Competition Tips For Students

**Complete any competition content during the event time frame to earn points!**

(Note: Any content that you have created yourself will not count for points!)

**You can try out new content & lists**

...or revise content that you've already been taught!

**In a vocabulary list**

You have to get a word correct **twice in a row** to earn a point!

**Look after your wellbeing**

Don't forget to take regular screen & brain breaks.

**You can go back the next day**

To earn new points on questions you've already tried. (24 hours later, to be precise!)

**For Languages competitions**

Why not try a new language that you haven't learned before?

**Cheer on your friends!**

Don't forget to encourage your friends and peers during the competition!
