

AN INTRODUCTION TO

**SLERP COMPOSER.**

# your seamless order management solution.

**Composer is a cloud-based solution that enables you to effortlessly consolidate and manage all your orders in one place automatically.**

Allowing for perfectly orchestrated production and logistic operations when dealing with high-volumes of orders.

# ultimate control, complete transparency.

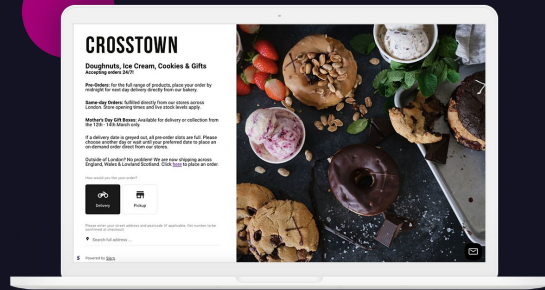

## Composer generates:

- ✓ Production schedules
- ✓ Printable packing slips
- ✓ Invoices
- ✓ Logistics route planning (with integration)
- ✓ Customisable reporting
- ✓ Packaging stock management

All of the above can be filtered by status, date range and location giving a complete overview of your business in one space.

# consolidation of all orders.

# testimonials.

Don't take our word for it...

## GUNPOWDER

---

"I didn't even know the solutions Composer offered were even an option for my business when dealing with our online orders. With volumes increasing, Composer has been a life saver! The production schedule makes fulfilling orders effortless for my team."

## HAWKSMOOR

---

"Composer has been such a game changer since we started using the packing slips feature. It has streamlined the production process for my teams on sites."
