

September 2020 Newsletter

Hello,

Welcome to Ondema's monthly newsletter! We'll share resources and industry news that businesses like yourself might find useful.

Manufacturing financial model

With the help of industry experts, we put together a comprehensive financial model for manufacturers. And we're giving it away - *for free!*

You'll [find the financial model and related case study here](#) (below the customer videos). Download, adapt, and use it as you see fit.

Worthwhile reads

- **People are at the center.** There are many lessons from Toyota's Principles of Production, especially "[adopt and adapt technology that supports your people and processes.](#)"
- **Tightly managing the process chain and eliminating tribal knowledge** in job shops are keys to [making workflow a competitive advantage.](#)
- **The score is still Q to 12!** While not manufacturing-specific, [our February 2019 blog post about Calvinball](#) as a metaphor for organizational resiliency remains as valid as ever.

What else would be useful?

Suggestions or feedback on how this newsletter could be more useful? Let me know! Feel free to reply to this email or call 833-663-3621.

Thanks,

Dan
