

## October 2020 Newsletter

---

**Hello,**

Welcome to the latest installment of the Ondema monthly newsletter. We curate and share things that businesses like yours might find useful.

### **Business plan templates**

Whether you're intent on getting funding or building a living document to guide your company's growth, you can't beat a business plan.

We've combed through resources like the SBA, SCORE, and Santa Clara University to [compile templates you can use for free](#). [LawDepot](#) and [RocketLawyer](#) have online tools to build a business plan in less than 5 minutes.

### **Helpful stops and worthwhile reads**

- **There's a lot of manufacturing institutes out there.** [Manufacturing USA](#) is a great place to find one right for your manufacturing business.
- **One-man shops do it all.** Learn about [Marvel Machining's process](#) for building complex parts for automation.
- **Agility is everything.** From combat operations to software, "agility" isn't just a buzzword. [It's necessary to survive and thrive in dynamic environments.](#)

**Pictured:** one of Ondema's employees when he used to be cool, training for maritime special ops circa 2010.

Until next time,  
Dan
