

bold Unlock a
keyless life.

Be Bold.

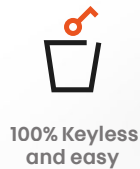

Bold Smart Lock.

Unlock a keyless life with a Bluetooth enabled smart lock designed for easy and safe access control. 100% keyless. Easy to install. Convenient to use by phone or PIN. Safe and easy. Because life's too short to worry about everything to do with keys.

For the Bold benefit of all

- perfect fit on all Euro profile cylinders
- easy DIY installation
- robust and contemporary design
- share temporary access with others
- insights of all lock activities
- over 2 years' battery life
- digital safety by two-factor authentication and end-to-end data encryption
- highest level of security with the SKG*** certification
