

# Fundraising Tools to Build a Healthier Tomorrow

Your organization is building a thriving, healthy community. We're dedicated to helping you along the way.

Building healthy communities is hard work! It requires education, advocacy, outreach, and funding. That's why so many healthcare-focused organizations choose Qgiv for their online fundraising campaigns! Reach your donors, save time, and conserve resources with an all-in-one platform that includes donation forms with custom dedication options, event registration forms perfect for events like galas and golf tournaments, a peer-to-peer platform for social fundraising events like walks and 5ks, mobile fundraising and messaging options, auctions with mobile bidding, and more.

Your healthcare foundation has unique needs, programs, and ideas, and that's why we offer flexible pricing to give you the freedom to use the fundraising tools that work best for you. You also receive unlimited forms and events, users, training, and support!

## What other health-focused fundraisers are saying about Qgiv:

“

We are happy here at Mercy Ships that we switched over to Qgiv. It is easy to work with Qgiv's forms on the back-end and we find it very time-saving and intuitive. On the front-end the forms are seamless, mimicking our website—a big bonus.
