## How can Giving Essentials help your mission?

1. Create unforgettable event experiences with guest management tools
2. Eliminate manual data entry with seamless integrations
3. Engage donors with personalized giving experiences
4. Raise more with valuable donor insights and predictions

“We love the integration for Qgiv to DonorPerfect. We used to spend 5-6 hours a week manually entering information. The mapping tools for donations help streamline our data entry, save time, and can easily be modified at any time. It's made a huge difference in our donor accounting processing.”
