

Do More with Your Data

Easily track, retrieve, and manage your fundraising and donor data.

Understanding your data is an important part of building a successful development program. Use the tools in the Data package to build custom reports, access advanced statistics, compare form performance, and automatically update your CRM records and email lists.

Understand your fundraising health, track your progress, retain donors, and simplify your life with tools that include:

Software Integrations

- + Integrations with top CRMs
- + Email integrations
- + QuickBooks integration
- + Custom integrations via Zapier

Advanced Statistics

- + Track important metrics
- + Fundraising activities at a glance
- + Interactive dashboard
- + Track donor retention & more

Powerful Reports

- + System reports
- + Custom reports
- + Donor summaries

Offline Donations

- + Track check and cash gifts
- + Receipts for in-person donations
- + Display offline gifts in fundraising thermometers

No long-term contracts,
No hidden fees

“

We used to spend 5 to 6 hours a week manually entering information. The mapping tools for donations help streamline our data entry, save time, and can easily be modified at any time. It's made a huge difference in our donor accounting processing.

Michelle Rivera,
Spay and Neuter Kansas City

Save time and raise more with Qgiv's complete suite of digital fundraising tools:

Donation Forms & Event Registrations

Unlimited forms for year-round campaigns, recurring donations, and simple event registrations.

Auction & Event Management

Auction tools, event management features, and an app-based interface make auctions simpler and more fun for staff and donors alike.

Text Fundraising

Text-to-donate, text-to-give, outbound and reminder messages, and live screencasts keep donors engaged!

Peer-to-Peer

Individual and team fundraising, simple drag-and-drop event builder, gamification, and sharing options help you reach and engage more supporters!

With no long-term contracts and no hidden fees, you have the freedom to try fundraising technology that fits your campaign needs. We're passionate about your success, so we don't believe in placing limits on forms, events, users, training, or support.

3 Reasons Why Fundraisers Love our Data Package

1 Powerful, Simple Reporting

2 At-a-Glance Metrics

3 Email and CRM Integrations

You don't have to figure out online fundraising options alone. We'd love to talk! To learn more about fundraising with Qgiv, call us at 888-855-9595 or visit us at www.qgiv.com.
