# GOT WHAT IT TAKES?

You might be the one we need! Light Vehicle Technology, Heavy Vehicle Technology, Body Repair and Refinishing Competitions.

**Competition cycle April to November.**

## COMPETITORS

Test, learn, achieve and progress whilst improving your skills including: Resilience, Problem Solving, Time Management, Confidence, Technical Skills, Communication, Tenacity and Stress Management.

## EMPLOYERS

Promote your business as employing the top talent in the industry and gain additional free training for your employee.

## CENTRES

Inspire and set high aspirations for your learners whilst showcasing your learners, your teaching and your centre.

# THE 4 STEPS TO WIN GOLD

## STAGE 1

19th April to 14th May

Get yourself nominated by your employer or tutor. The online test link will then be emailed to you. You must take the online test within 48 hours after nomination.

## STAGE 2

24th May to 16th July

Top scorers will then be asked to complete a second more in depth online test.

## STAGE 3

September

The 6 highest scorers from each stream will make it through to the final. An individual training plan will be shared with you based on your online test scores and what you need to work on. An employer visit will be arranged to talk through the next stage and get you prepared.

## STAGE 4

November

Attend a live final over three days and take part in 6 live tasks.

**Then win the gold medal!**
