Setting up a Primary contact account

1. You will receive an email to the address of the Primary Account Holder entitled “Your new Autologic account is almost ready”. This email will contain a link (right) which allows the user to complete the new account set up process. (please note the email may be filtered to a user’s junk folder depending of the settings).

User Accounts

2. The user should choose a password for their account, once entered and confirmed press CONTINUE.

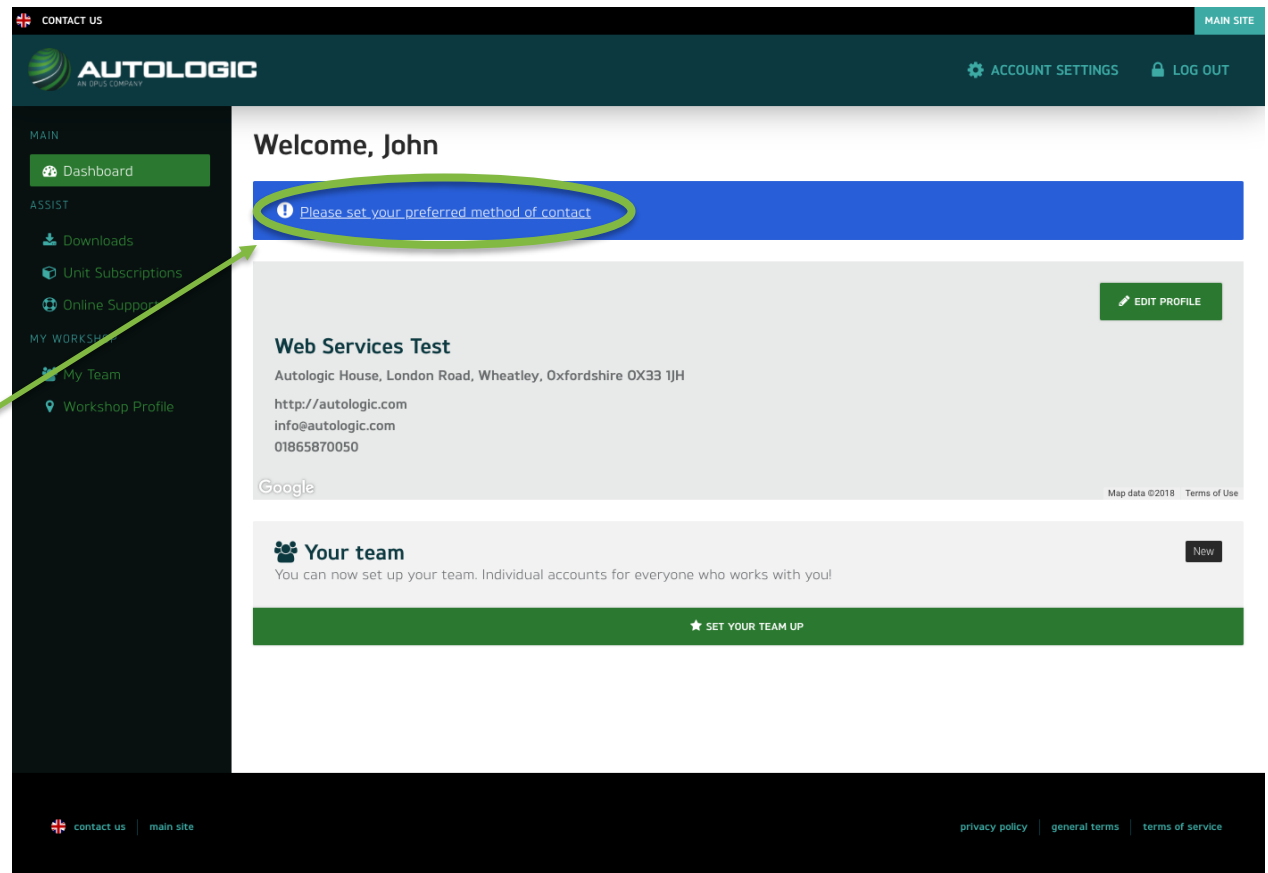

The screenshot shows a mobile application interface for setting up a new Autologic account. At the top left, the Autologic logo is visible. A blue message box contains the text: "Welcome to your new Autologic account, John. To continue to your dashboard, please complete the following details." Below this, there are two input fields: "Password" and "Password Confirmation". A checkbox is checked, with the text "I have read and agree to the terms and conditions" followed by a question mark icon. A green "CONTINUE" button is positioned below the checkbox. At the bottom left, there is a "Log Out" link with a lock icon.

User Accounts

- The user will automatically be logged into their new Autologic account. In future, the user should use their EMAIL address along with the new password to log in to their account.

- Once logged into your Primary account you need to set up your preferred method of contact by clicking on following link.

The screenshot displays the Autologic user interface. At the top, there is a navigation bar with 'CONTACT US' and 'MAIN SITE' links. The Autologic logo and 'AN OPUS COMPANY' tagline are on the left, while 'ACCOUNT SETTINGS' and 'LOG OUT' are on the right. A dark sidebar on the left contains a menu with categories: MAIN (Dashboard), ASSIST (Downloads, Unit Subscriptions, Online Support), and MY WORKSHOP (My Team, Workshop Profile). The main content area is titled 'Welcome, John' and features a blue notification bar with an information icon and the text 'Please set your preferred method of contact'. Below this is a profile section for 'Web Services Test' with contact details and an 'EDIT PROFILE' button. A 'Your team' section is also visible with a 'New' button and a 'SET YOUR TEAM UP' call-to-action at the bottom.

5. You will then get a screen titled Account Settings, here you will need to enter your contact phone numbers, if you have a main land line then enter this under phone number and if you wish to have a mobile number then also enter this under mobile number. Also select your preferred contact method, then click on update.
