Topic: TFS Update: Looking Ahead

Dear TFS parents:

Good afternoon!

I hope the first week of summer vacation has been a time to decompress and relax! We remain in our planning stages for next year, and please continue to look for Tidbits and these communications to stay updated on our progress.

I did want to let everyone know that our “TFS Reopening Taskforce” is in place, and I appreciate the great response to our request for assistance. Attached to this email is the word document that shares a little about our Taskforce members. The purpose of this taskforce is to look at the requirements and recommendations of the “powers that be”, including the Governor, NC HHS, the local school system and the Diocese of Raleigh Catholic Schools Office, as well as the Parish leadership, to decide how to open in the safest way possible while continuing to provide an excellent Catholic education to all of our students. We continue to have high hopes for a return to normal in August. However, we will have plans in place for whatever contingencies arise.

Thank you again for your continued patience, prayers and support of The Franciscan School!

With ever more appreciation,

Michael Watson
Principal at The Franciscan
