

# PUFFING BILLY RAILWAY

*Puffing Billy Railway is Australia's premier preserved steam railway, located in the heart of the Dandenong Ranges. This century-old steam train continues to run on its original mountain track from Belgrave to Gembrook, offering traditional excursion train journeys, where passengers can enjoy the stunning scenery from our open side carriages, as well as First Class wine and dine experiences in our beautifully restored heritage dining carriages.*

Along the verdant railway corridor, discover some of Melbourne's most authentic and unique function spaces. Step into a bygone area at the heritage-listed Nobelius Packing Shed, or bring your next event to the state of the art Lakeside Visitor Centre. Opening in late 2021, this new \$20m facility features indoor and outdoor function spaces, local food and wine, and inspiring group experiences in the scenic surrounds of the Emerald Lake Precinct.
