

YARRA VALLEY ESTATE

Award winning venue for sustainable Business Events; Yarra Valley Estate is a purpose built conference centre in the heart of the Yarra Valley surrounded by the natural bushland.

Family owned and operating for over 25 years, we have five award winning conference rooms to suit any size group (from 5 to 150 pax) each with an abundance of natural light.

Our conference facilities are uniquely set among several buildings, each with its own accommodation area, allowing your group to stay together and have total privacy to truly facilitate a 'team building' environment.

Your group will be staying at a wonderful rural retreat, set within 120 acres of stunning natural bushland with National Parks and wineries for neighbours, walking tracks aplenty within the grounds, and the option of a guided tour & taste through our Edible Forest.

In addition to conferences we are also a special events and group accommodation venue. Do you have a special celebration coming up? Are you part of a group wanting to go away together?

Come and visit us at the Yarra Valley Estate - we'll show you around the grounds and work out with you the various options for your function.
