

BRIDGES AT HURSTBRIDGE

Bridges strive to tailor a functions package to suit your needs. They specialise in business events and conferences in a bushy semi-rural setting with a highly versatile venue that can cater for any function you can think of. Their mud brick buildings provide the perfect atmosphere to cater for up to 160 guests seated or up to 250 guests standing for cocktail events. With a number of indoor and outdoor spaces which can be customised for small or large business and conference events, their professionally trained staff will help go above and beyond your expectations to create a memorable experience.

In addition to conference facilities, they also offer Bridges Restaurant. Open from 9am to 10pm Wednesday to Sunday serving breakfast, lunch and dinner, as well as catering for on-site events. The menu can accommodate all dietary needs in an amazing atmosphere with tall ceilings and stunning views of manna gum trees. They're fully licenced providing a wide selection of local and domestic wines and beers.

Bridges is located only 30 minutes drive from Melbourne CBD and a 10-minute walk from Hurstbridge Train Station, for easy transport to and from events.
