

JAYDEN ONG WINES

One of the Yarra Valley's hidden gems, located in the burgeoning west-end food and drinks precinct of Healesville, Jayden Ong Winery & Cellar Bar is an impressive event space. The 600-square-metre venue is a fully operational winemaking facility by day, which creates a gorgeous backdrop for your next event. A flexible space adapted to consider your needs. Winery & Cellar Bar will deliver an event that surpasses expectations, whether it's an intimate group of 20 in our BARREL ROOM or an entire winery takeover.

"One of the coolest places in the Yarra Valley to enjoy a glass of wine is surprisingly in the centre of Healesville's industrial estate. Jayden Ong's Winery and Cellar Bar – with its barrel-lined walls and hanging floral installations – manages to feel intensely artisanal and considered despite the lack of valley views. Ong's decades in hospitality shine through in the warm, insightful service and the concise but informed range of local and international wines on offer. His Moonlit Forest and One Block labels sit comfortably alongside Sicilian rosato and Pfalz riesling. A hyper-seasonal menu of grilled snacks and produce makes use of the outside grill and wood-fire, inspired by afternoons with friends at Ong's vineyard on Mount Toolebewong "
