

PARADISE VALLEY HOTEL

Paradise Valley Hotel takes pride in enriching our community through hospitality. They do this through the mindful provision of food, beverage and service. Their style is inclusive and friendly, holding deliciousness, value, integrity, community and hospitality as core values. Event planners can expect high-quality food, beverage and service which has been adapted from experience, passion and lastly not to mention the beautiful surroundings that it is positioned in.

Situated right on the Puffing Billy tracks of Clematis with views of rolling hills, they are the pub that could! The large beer garden surrounding the hotel is perfect for events and the large decked areas provide a great area for functions including a bar area. In the warmer months, the wood-fired pizza oven is a great addition for casual corporate lunch or team celebration. Function packages are available to accommodate any size and any request.
