

Rayner's Orchard currently grows over 450 varieties of fruit and is around an hours drive from the CBD, located in Melbourne's food bowl, the Yarra Valley.

Some of the fruit varieties we grow include peaches, nectarines, plums, apricots, tamarillo, pomegranate, persimmon, pepino, feijoa, guava, kiwi fruit, dutch medlar, and various citrus varieties throughout winter - lemons Australian limes, grapefruit, oranges and mandarins.

Visit this real working farm to discover life on the land and delight in picking your own fruit, and discover the fantastic flavours of real tree-ripened fruit. Take a guided tractor fruit tasting tour with farmer Len, and sample at least 8 varieties of fresh tree-ripened fruit. Make sure you come hungry as there is always plenty of fruit to try. Pick your own to take home if you wish, or have a drive of the Cherry picker, to get a sensational bird's eye view of the farm!

1-hour Tractor Fruit Tasting Tours are available all year from 9 am - 3 pm. Tours run daily. Groups are welcome, as we are able to cater for up to 150 visitors at once with 5 tractors and trailers in our fleet (each trailer can accommodate a capacity of 25 - 27 patrons). There is one trailer that has the capacity for wheelchair access, please request the use of this trailer if required when booking. Blossom Season Tours run from mid-August to mid-September- fruit tastings are on offer during Blossom Tours also
