

# STONEHURST OF SASSAFRAS

*This beautiful home is on two acres of thoughtfully landscaped gardens and surrounded by the tall forests of the Yarra Ranges. Stonehurst is elegant enough to host a dinner party, a small gathering or an intimate dinner whilst feeling homely enough to be a favourite holiday destination or a creative space for a business retreat. It is secluded from the neighbours but only a short forest stroll to SassafRAS, the quaintest town in the Yarra Ranges.*
