

THE HIGH TEA MISTRESS

Creating unique Yarra Valley Experiences is The High Tea Mistress' cup of tea. From decadent High Teas to fully styled picnic set ups or a unique wine & tasting pairing in an Igloo, we can also deliver to your team's homes. Whilst we have a venue in Hawthorn the Yarra Valley is our second home where the majority of our mobile services take place. We partner with premium local venues & suppliers in the Yarra Valley to assist in creating a unique experience that is curated to your event, brand, team size and budget.
