

Vinspiration offers an expertly curated whistle-stop tour of some of the best wines the wonderful Yarra Valley has to offer, presented by enthusiastic local winemaker, Andi Davison (Pip & Ra Wines). More than just a wine tasting, Vinspiration will teach your team how to get the most out of their glass, understand the winemaking process and discover some local secrets.

Vinspiration provides unique wine education and tasting packages which are ideal for entertaining corporate team events, incentives and business tourism. Events are fully customisable.

Andi is a dedicated teacher with a passion for wine education. She has a PhD, over a decade of teaching experience, a degree in Viticulture and Winemaking and WSET 1-3. She and her husband launched their wine label Pip & Ra wine in 2019. Her aim is to use her expertise and dynamic approach to teaching to demystify the world of wine for everyone's enjoyment.
