## CitiusTech Azure Practice: Focus Areas

### Cloud Consulting

- Cloud technology readiness and roadmap
- Vendor and platform selection
- Migration strategy
- Cost / Benefit / ROI

### Cloud Enablement

- **Lift & Shift** – platform, data & application migration
- **Engineering** – Cloud-native architecture, application design and infrastructure optimization

### Cloud Management

- Service Desk
- Backup / Data retention
- Process / Service Automation
- **Integrated Cloud Suite (ICS):** Cloud agnostic monitoring

### Healthcare Expertise

- HIPAA compliance review & certification
- HITRUST certified
- SOC, FedRamp audits

### Cloud Enablers

- CI / CD techniques
- Azure migrate
- Cloud assessment template
- Cloud platform benchmarking
- ROI calculators / benefit analysis

## Success Stories

### Data migration to AWS Aurora for a leading MedTech firm:

Leveraged AWS Database Migration service to migrate to AWS with no downtime. Achieved 3x higher throughput than the incumbent database platform.

### Microservices based collaboration platform for global Life Sciences company:

Increased AWS Utilization by leveraging managed services like EKS, Elastic Search, ECR. Improved system availability from 98% to 99.5%

## About CitiusTech

CitiusTech ([www.citiustech.com](http://www.citiustech.com)) is a leading provider of healthcare technology services, solutions and platforms to over 130 organizations across the payer, provider, medical technology and life sciences markets. With over 5,000 technology professionals worldwide, CitiusTech powers healthcare digital transformation through next-generation technologies, solutions and accelerators. Key focus areas include healthcare interoperability & data management, quality & performance analytics, value-based care, omni-channel member experience, connected health, virtual care coordination & delivery, personalized medicine and population health management. CitiusTech has two subsidiaries, FluidEdge Consulting ([www.fluidedgeconsulting.com](http://www.fluidedgeconsulting.com)) and SDLC Partners ([www.sdldapartners.com](http://www.sdldapartners.com)), with deep expertise in healthcare consulting and payer technologies, respectively. CitiusTech's cutting-edge technology expertise, deep healthcare domain expertise and a strong focus on digital transformation enables healthcare organizations to reinvent themselves to deliver better outcomes, accelerate growth, drive efficiencies, and ultimately make a meaningful impact to patients.
