Largest cloud-based healthcare solution provider

5+ | Years of relationship
14 | Engagements to date

Business Problems

- **Troubled implementation of Cloud-EHR and PM** solution across US hospitals

- **Multiple hospital vendors and Interop standards** leading to deployment delays

- **EHR and PM maintenance and feature upgrades** resource intensive, stifling new product innovation

- **Legacy API layers, incompatibly with new regulatory pressures** from 21st Century Cures

CitiusTech Solution(s) & Value Delivered

- **Premier Hospitals implementation** partner for 4+ years, managing HL7 and CCDA interfaces

- **End-to-end interface mgmt. & one-stop-shop** including interaction with 3rd party vendors

- Exclusive **Chennai-based ODC for EHR/PM sustenance** and long-term feature development

- **FHIR-wrapper for AH marketplace APIs**, enabling out-of-box compatibility across EHR, SMART Apps
