

**CitiusTech Recognized by Great Place to Work® as  
One of India's Best Workplaces in IT & IT-BPM**

*Assessment was based on both on people practices for employees and High Trust Culture*

**Mumbai, India, 23 November 2021:** [CitiusTech](#), a leading provider of healthcare technology services, solutions, and platforms, have been recognized by Great Place to Work® India among the Top 75 - India's Best Workplaces in IT & IT-BPM 2021! This is the sixth time that CitiusTech has achieved this certification, and credits the achievement to employees' commitment to excellence, and shared values.

“We have built a positive company culture that encourages people, and teams to always be approachable, empowering, innovative, open, and upbeat,” said **Sowmya Santhosh, Senior Vice President, and Head of HR at CitiusTech**. “Even during the COVID pandemic, everyone has worked tirelessly towards building the highest levels of employee engagement, and satisfaction. A big thank you to all who have played an important role in our success.”

“As we continue to grow, and create new opportunities for engineering talent, this recognition is a testament to the company we are – a trusted technology partner for our customers, and a great place to work for next-gen technology professionals,” said **Atul Soneja, Chief Operating Officer, CitiusTech**. “We are grateful for the support of our employees, and their families who made this possible.”

As a global authority on workplace culture, Great Place to Work® has been studying employee experience, and people practices across organizations for over three decades. Every year, more than 10,000 organizations from over 60 countries partner with Great Place to Work® Institute for assessment, benchmarking, and planning of actions to strengthen their workplace culture.

In its 7<sup>th</sup> edition this year, 263 organizations in the IT & IT-BPM sector undertook this assessment. Based on a rigorous evaluation we have identified the Top 75 organizations among **India's Best Workplaces in IT & IT-BPM 2021**. These organizations excel both on people practices that they have designed for their employees, and act on the feedback to create a High Trust Culture.
