

Job Title: Delivery Lead (s) (full time; multiple openings), Job Code – CT72

Work Experience Required: 2 years

Location: Princeton, New Jersey and various unanticipated locations throughout the U.S

Duties:

- Work with Senior Delivery Leads and other project stakeholders to ensure the timely execution of IT projects for clients in the U.S.
- Work with individual IT project leads to establish the plans and goals for the IT project.
- Help to set objectives, as well as assign tasks to junior team members.
- Establish the timelines and estimates for the IT project and work with senior members to ensure teams are properly staffed to execute the project per the established timelines.
- Help to coordinate work among the various team members and stakeholders.
- Work with sales teams to provide input on IT products and IT services the client requires and to help respond to Requests for Proposals (RFPs) for client projects.
- Provide regular updates to the IT project stakeholders and senior team members to ensure projects progress timely and remain within established timelines and budgets.

Must have a Bachelor's Degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus two (2) years of IT experience. One (1) of the two (2) years of IT experience must include experience with Asp.Net, Angular, and Knockout JS. In lieu of a Bachelor's Degree (or foreign equivalent), we will accept a Bachelor's Degree (or foreign equivalent) earned through any suitable combination of education, training, and/or experience, as determined by a professional evaluation service. Travel and relocation required, to be reimbursed by employer. Incidental telecommuting permitted. EOE M/F/D/V.

Please apply by forwarding resumes to CitiusTech Inc. at us_jobs@citiustech.com. Please indicate the reference code(s) with respect to your position of interest in your communication. REF: CT72
