

Job Title: Technical Specialist (s) (full time; multiple openings), Job Code – CT61

Work Experience Required: 2 years

Location: Princeton, New Jersey and various unanticipated locations throughout the U.S

Duties:

- Help senior team members design software applications and interfaces.
- Work with business users to gather data requirements.
- Analyze and interpret various data to determine software application interface requirements.
- Design and implement new software interfaces.
- Prior to implementation, test interfaces to ensure they perform as expected.
- Prepare test cases as required.
- Conduct code review for interfaces to ensure they perform as required.

Must have a Bachelor’s Degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus two years of IT experience. One of the two years of IT experience must include experience with C#, ASP.NET, Web API and JavaScript. In lieu of a Bachelor’s Degree (or foreign equivalent), we will accept a Bachelor’s Degree (or foreign equivalent) earned through any suitable combination of education, training, and/or experience, as determined by a professional evaluation service. Travel and relocation required, to be reimbursed by employer. Incidental telecommuting permitted. EOE M/F/D/V.

Please apply by forwarding resumes to CitiusTech Inc. at us_jobs@citiustech.com. Please indicate the reference code(s) with respect to your position of interest in your communication. REF: CT61
