

Job Title: Technical Specialist (s) (full time; multiple openings), Job Code – CT52

Work Experience Required: 2 years

Location: Princeton, New Jersey and various unanticipated locations throughout the U.S

Duties:

- Help senior team members design software applications and interfaces.
- Work with business users to gather data requirements.
- Analyze and interpret various data to determine software application interface requirements.
- Design and implement new software interfaces.
- Prior to implementation, test interfaces to ensure they perform as expected.
- Prepare test cases as required.
- Conduct code review for interfaces to ensure they perform as required.

Must have a Bachelor’s Degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus two years of IT experience. The two years of IT experience must include experience with SSRS, SQL Server, DB2, Jira, and AWS. In lieu of a Bachelor’s Degree (or foreign equivalent), we will accept a Bachelor’s Degree (or foreign equivalent) earned through any suitable combination of education, training, and/or experience, as determined by a professional evaluation service. Travel and relocation required, to be reimbursed by employer. EOE M/F/D/V.

Please apply by forwarding resumes to CitiusTech Inc. at us_jobs@citiustech.com. Please indicate the reference code(s) with respect to your position of interest in your communication. REF: CT52
