# CitiusTech

Accelerating Digital Transformation in Healthcare

IBM Premier Business Partner

As an IBM Premier Business Partner and Reseller, CitiusTech combines extensive healthcare domain knowledge and a deep understanding of IBM technologies to help **payers, providers,** and **life sciences** companies build, optimize and manage their IBM BI / Analytics and Big Data capabilities.

Digital Engagement	Drive engagement across the care continuum. Increase stakeholder engagement with **SMART** on **FHIR** apps & **Patient Data Hub -** remote patient monitoring solution
Predictive Analytics & Data Science	Improve scores for CMS Star Rating with AI / ML driven **Stars Decision Engine** solution
Performance Management	Drive value-based performance across population, & leverage healthcare data for actionable insights with **BI-Clinical** & **SCORE+**
Data Management	Aggregate large healthcare data – EDW & Big Data with **H-Scale**
Data Integration & Interoperability	Integrate structured / unstructured healthcare data. Comply with CMS' IPA Rule with **FAST+** solution for FHIR®

IBM CLOUD PAK™   NETEZZA an IBM Company   IBM COGNOS   IBM InfoSphere DataStage   IBM DB2   **IBM® Unified Data Model for Healthcare**

CitiusTech Services on IBM Technologies

With world-class capabilities across key IBM technology stacks, CitiusTech has helped leading healthcare organizations accelerate their digital innovation strategies.

We enable healthcare organizations to build robust, scalable solutions for data management, data warehousing, integration, and enterprise analytics. CitiusTech has a strong team of IBM certified experts working across key IBM technologies, including IBM UDMH, Netezza and Netezza Performance server (NPS), Cloud Pak™, etc.

CitiusTech capabilities across key IBM Technology stacks helps healthcare organizations reduce complexity, optimize costs, and drive their overall data strategy.

Healthcare Solutions

- **FAST+:** End-to-end FHIR-based solution to comply with CMS' IPA rule

- **H-Scale:** Healthcare data integration, quality & transformation solution

- **BI-Clinical:** ONC & NCQA certified BI solution: MIPS / MACRA, HEDIS, etc.

- **SCORE+:** HEDIS quality performance management solution

Professional Services

- Data integration & interoperability
- Data management
- Quality & performance management
- AI/ML solutions

Recent Success Stories

- Migrated clinical, claims, pharmacy, & survey data to EDW, & enabled multi-tenancy for large IDN system using IBM technology (DataStage, UDMH)

- Integrated subsidiary health plan's claims data into IBM UDMH in IBM PDA (Netezza) environment for a leading healthcare provider

About CitiusTech

CitiusTech is a specialist provider of healthcare technology services and solutions to healthcare technology companies, providers, payers and life sciences organizations. With over 4,000 professionals worldwide, CitiusTech enables healthcare organizations to drive clinical value chain excellence - across integration & interoperability, data management (EDW, Big Data), performance management (BI / analytics), predictive analytics & data science and digital engagement (mobile, IoT). CitiusTech helps customers accelerate innovation in healthcare through specialized solutions, platforms, proficiencies and accelerators. With cutting-edge technology, world-class service quality and a global resource base, CitiusTech consistently delivers best-in-class solutions and an unmatched cost advantage to healthcare organizations worldwide.
