

# PREAUTHORIZATIONS

Medical practices spend nearly **2 days** completing ~29 pre-authorizations per week per physician

**92%** say the prior authorization process delays patient access to necessary care

**78%** report prior authorization can sometimes, often or always lead to patients abandoning a recommended course of treatment.

**34%** physicians rely on staff members who work exclusively on the data entry and other manual tasks associated with prior authorization.

**Schedule a tour of the Azalea Dashboard to see if outsourced precert is a fit for you!**
