

Dear Namibia,

Let's uplift each other with a Sing-a-long to the words of the popular Bill Withers song, 'Lean on me'.

There's hardly a family that has not been affected by Covid-19, either health or employment. Therefore, we would like to send out a message of hope and positivity to Namibia, with your help.

We encourage you, Namibia, to learn the lyrics of the 'Lean on Me' cover by:

Lead Vocal – Livinge Dennis

Keys and Bass – Desmond Nanub

Guitar – Sagarias Tsam

Drums and Perc – Adam Brandon-Kirby

Choir – African Vocals

Additional Harmonies – Lin-Mari Coetzee

And then without any music, vocals only, to film yourselves singing individually or in a group (with some fun movements and dancing to bring it alive – get creative).
