Certificate III in  
**Early Childhood  
Education & Care**

**Build Your Career in Childcare**

The Certificate III in Early Childhood Education and Care course reflects the role of workers in childcare centres and out-of-school care settings who aid and support early childhood education. Students will learn to foster positive experiences, interactions and development of young children and support children with different needs, backgrounds and cultures. This qualification teaches you to facilitate a nurturing and safe environment for children and provide an inclusive education setting. This is an entry level qualification with the knowledge and skills to enhance your career in childcare.
